

WB 23/5/22

Platinum Jubilee Celebrations

This week at school, we are going to learn about 'Queen Elizabeth' and the Platinum Jubilee. Talk to your child about your own memories of the queen and the royal family.

We will be looking at photographs of the Queen and other members of the royal family and making a time-line of the queen growing up.

We will find London on a map of the UK and look at lots of famous land-marks. Use the internet to find some famous buildings and structures in London. Help your child to name them and talk about them (Big Ben, Houses of Parliament, Buckingham Palace, London Eye, Tower Bridge ...)

Has anyone been to London? _____

We will be doing lots of arts and crafts this week: Making a big red jubilee bus, royal guards, collage silhouette of the queen, making crowns, a throne and bunting.

Please help your child to learn the 'National Anthem' off by heart we will be singing it as a whole school before we have our street party lunch on Wednesday.

We look forward to seeing you at our Jubilee Party at 3pm on Wednesday 25th May. There will be lots of fun things to do.
