Catterick Road,  
Catterick Garrison,  
North Yorkshire, DL9 4BZ

Executive Head Teacher - Mr M Dent  
Head of School – Miss L Robinson

“Growing good people –  
doing great things.”

Dear families,

25<sup>th</sup> June 2024

And just like that, we are nearing the end of another school year! There's such a lovely feeling around school this week as we celebrate Armed Forces Week with workshops, exercise drills and a picnic on the field. Things have been extremely busy, I'd like to take this opportunity to thank the amazing staff we have at our school who have ensured that every single event, visit, trip, performance, assembly and overnight stay has been a huge success, we've still got more to come!

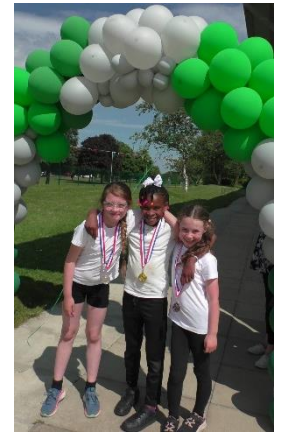

### Transition

We're all so excited for our two transition days next week (Tuesday and Wednesday) and welcoming 30 new smiling faces to our school in Reception! The other children can't wait to 'move up' for the two days to spend time with their new teachers. Mr Hardy will be in school for the day, which we are really excited about and also Miss Sunter who is going to begin her teacher training with us here at Cambrai in Year 3 with Miss Adams. **As last year, the children should go to their new classroom doors on the mornings of transition and be collected from their new class exit points. There will be staff around to help with this on the morning and after school.**

### Sports Day!

Wow! What fun we had on Sports Day! The sun shone and we were so proud of the children who tried their very hardest in all of the different activities. Well done to our medal winners and to Ravensworth Castle who were the overall winners on the day. I mentioned at the start of the day about the split sessions for the younger and older children, I appreciate that for lots of you that meant having to take a full day off work. As a working parent myself I know that logistically this may have been hard. We've listened to your feedback and have decided that next year's sports day will follow the same format (Reception, Year 1 and Year 2 first, Year 3, Year 4 and Year 5 later) but we have decided that KS2 Sports Day will start straight after the younger children (probably at around 11:00) so that they are both finished by lunchtime and you only need to take half a day's leave. I hope this will work better for you.

### Car Park

We're so lucky to share the spacious car park that we do with Jigsaw. We have nearly 100 spaces which is bigger than the local secondary school and most of the other primary schools in the area! But, it still doesn't mean that there are enough spaces for everyone to have a space at drop off and pick up times. Can I please ask that moving forwards, especially in the summer months, you consider whether walking to school is an option for your children. If not, it might be that you care share with other families.

### School Reports

Next Friday (5<sup>th</sup> July) your children will be bringing home their end of year school report! We're so excited to share these with you, I've been very emotional reading all about the progress every one has made this year! Accompanying the report will be a link for you to complete our annual parent feedback survey, we'd really appreciate you all taking the time to do this please. If you require an additional copy of a report emailing for parents who live separately please just drop us an email and we will make sure this happens.

### Term Dates

By now you should have all received a copy of the Term Dates for next academic year, they are up to date on the website so please do take some time to get them in your diaries! [Cambrai School Dates 2024 - 2025](#) Children return to school on Wednesday 4<sup>th</sup> September 2024.

Kind regards,

*L Robinson*
